## Powder Lodge and Lilla Huset

If you're planning a budget-friendly trip to Japan we've reserved exclusive access to "Powder Lodge" and rooms at pension "**Lilla Huset**". For more details and booking, please contact Ski Japan.

Ski Japan are also able to assist with booking **The Vale**, **The Westin**, **Villa Rusutsu**, and **Pension Clydesdale**.

Outside of the above options we recommend the following (click link to visit):

[Pension Yamada](#)

[Rusutsu Holiday House](#)

[Lodge Romulus](#)

[En Guest House](#)

[Rusutsu Grand Cabin](#)

[Villa Rusutsu](#)

[The Lobs](#)

If you are traveling with a group of 4+ and would like to stay in a house within walking distance we highly recommend **Stay Rusutsu**. Alternatively you might be able to find some places through the obvious "Airbnb", "Booking.com" etc.

Another option some people choose is to stay a bit further out and hire a car. Places such as Niseko and Lake Toya are great spots to base yourself out of. This also allows you to explore different spots.

When booking flights in and out of Chitose (Sapporo), please note the bus schedule.

Domestic flights require a minimum 1 hour connection (more for low cost carriers).

International flights require over 2 hours connecting time.

Upgrades to private taxi is available if your flight does not work with the bus schedule (quite expensive).

Bus Departing Chitose: First = 0945 | Last = 1910

Bus Departing Rusutsu: First = 0830 (Arrive Chitose = 1040) | Last = 1730 (Arrive Chitose = 1940)

\* *times based on previous years schedule*
